Honorable Lowell P. Weicker  
102 Federal Courthouse  
Bridgeport, Connecticut 06603

Dear Senator Weicker:

AT  
AT  
This is in response to a 12 September telephone call from Anne Marie Thim of your Bridgeport office. She was calling on behalf of [redacted] who had heard a broadcast from [redacted] and as a result had some concerns about CIA activities and the naming of a CIA agent in that country. As you know, this office contacted a member of your staff on this matter on 27 July. I understand that individual is not available now because of illness.

AT  
Please advise [redacted] that it is the policy of the CIA not to publicly comment on speculations about its activities or employees. However, reassure him that the CIA does report on its activities to oversight committees in both Houses of Congress. They are the Senate Select Committee on Intelligence, chaired by Senator Birch Bayh and the House Permanent Select Committee on Intelligence, chaired by Representative Edward P. Boland.

I trust this information will aid you in responding to your constituent.

Sincerely,

*Signed*

Frederick P. Hitz
